PHOTOGRAPHY COMPETITION

Welcome to the Photography Competition at the Tumbarumba Spring Flower Festival, where we invite all photography enthusiasts to capture the vibrant beauty of spring. Let your camera become your paintbrush, and your subjects your canvas. Join us in capturing the essence of spring at this year's Photography Competition. Share your passion for photography, and let your images bloom!

Section 1: Embrace the Theme

Theme: "Buttons and Butterflies"

In Section 1, we invite you to align your photography with the festival's theme: "Buttons and Butterflies." Let your lens explore the intricate details of nature, the graceful dance of butterflies, or the charming world of buttons. Entries should be up to A4 size, allowing you to express your creative vision with clarity and precision. This is your chance to interpret the theme in a way that's uniquely yours.

Section 2: Postcard Perfect Moments

In Section 2, we've made it even easier to participate with postcard-size prints (6 inches x 4 inches). Choose from three captivating categories:

- A. Single Flower:** Showcase the beauty and elegance of a single flower. Capture its details, colors, and unique character. Every blossom tells a story.
- B. Multi-Flowers:** Create a visual bouquet by photographing a delightful cluster of flowers. Show us how different blooms come together to create harmony.
- C. Garden Landscape:** Step back and capture the grandeur of a garden landscape. Highlight the interplay of nature, colours, and design that makes gardens come alive.
