SCULPTURE Competition

Get inspired to create a sculpture for the 2025 Tumbarumba Spring Flower Festival.

We invite artists of all ages and skill levels to transform ordinary materials into extraordinary works of art.

The theme – ‘In the Wild’

The theme for this year’s festival is ‘In the Wild’.

You might be inspired by the Australian bush or your interpretation of wilderness; wild animals or wild hair! The possibilities are endless.

Embrace the theme if it inspires you, or follow your creative instincts with ideas of your own. This competition celebrates both themed and non-themed sculptures, inviting a diverse range of artistic expression.
